FOR IMMEDIATE RELEASE

State Route 121-Between State Route 128 and Wooden Valley Road Full Overnight Highway Closures Canceled-Week of September 21 One-Way Traffic Controls Continue

NAPA COUNTY– The California Department of Transportation (Caltrans) has canceled seven non-consecutive nights of full overnight closures on State Route 121 (SR-121) in rural Napa County for the week of Wednesday, September 21.

Caltrans has determined that the current work can continue WITHOUT full highway closures.

The repair work is occurring on SR-121 between State Route-128 (SR-128) and Wooden Valley Road.

Crews are continuing repairs to the highway which was undermined during heavy rains in March 2016. The work prevents further erosion and continues reconstruction of the damaged northbound SR-121 traffic lane.

Temporary Traffic Signal Lights-Alternating Traffic

During the work, SR-121 will remain open with temporary traffic signal lights and alternating traffic on one lane of SR-121. All work is weather dependent.

Motorists should expect delays through the construction zone.
