City of Calistoga
1232 Washington Street
Calistoga, CA 94515

Attention: Erik Lundquist
Planning and Building Director
City of Calistoga

Dear Mr. Lundquist,

I am writing to you and the City of Calistoga for consideration of a temporary storage and warehouse use permit.

The property address is 1475 Second Street. The particular building was formerly the home of Valley Business Forms and was most recently used by Calistoga Fire Department during the remodel of their permanent home.

My intention is to solicit possible Calistoga residents and businesses in need of warehouse space.

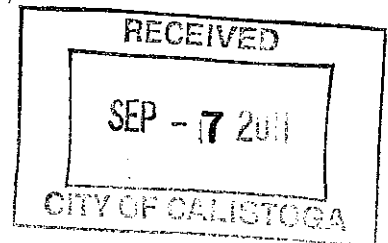

If you have any questions, please do not hesitate to contact me.

Thank you for your consideration and continued support,

Sincerely,

William D. Shaw

Description of Project located at 1475 Second Street, Calistoga, California

Owner:

William D. Shaw
1491 Lincoln Avenue
Calistoga, CA 94515
(707) 942-6271
FAX (707) 942-0812

The project located at 1475 Second Street in Calistoga is an existing commercial building, formerly part of Valley Business Forms. The structure under review is a steel Butler-type structure, offering 10,990 square feet of prospective temporary storage or warehousing space. All use of the space will be entirely enclosed within the existing structure, with ingress and egress via First Street. The driveway is located directly across the street from the rear of Cal Mart.

The intended use of this structure is primarily to service the permanent resident and business population of Calistoga. In addition, because the property is to be leased "as is", there will be no required construction or any other undue disruption to Calistoga's busy downtown commercial area.
