Are you a resident of the City of Calistoga? Yes No Years of residency: 2

Education and/or related background: Honors Degree in Polymer Chemistry from the University of Westminster, London, England. MBA with Distinction from INSEAD, Fontainebleau, France.

Licenses or special certificates held:

Organizations to which you belong (professional, technical, community, services): _____

State specifically why you wish to serve, why you believe you are qualified for the position, and what you might contribute to the group:

Having made Calistoga my home I wish to be more involved in my community and to make a contribution to my city. I admire our city for it's mix of the naive and the sophisticated. Maintaining our unique character while continuing to evolve to meet the needs of the community is a difficult task but one I would like to make a small contribution towards as a planning commissioner.

With 20 years experience as a management consultant and senior business executive I can offer skills and experience in areas such as conflict resolution, negotiation and decision analysis.

Having observed a number of council meetings where planning appeals have been brought before the council I believe that a number of them offer the council difficult and often emotional choices. As a planning commissioner I would help fellow citizens and city administration frame decisions so that choices are made clear and criteria are explicitly stated.
