Dear Calistoga Council Member;

This is to encourage the Council to approve the proposed Dog Park scheduled for consideration at your meeting on February 21st.

I strongly believe that dedicated dog parks strengthen the sense of community as well as provide an arena to establish norms for responsible dog ownership. As a dog owners we stand to benefit personally from a safe, secure spot for our puppy to exercise and socialize.

Thank you for all you do to make Calistoga such a wonderful place to live.
Kind regards,

Dear Mayor, Vice Mayor, Councilmembers and City Manager,

I am writing to express my support for the dog park proposed by Scott Atkinson. This park would be built and maintained at very little (or even no) cost to the City, and would provide a tremendous benefit. All involved understand the temporary nature of the park. On behalf of the many dogs and their companions who would be so grateful for this addition to Calistoga, I encourage you to support Mr. Atkinson's proposal. Thank you for your attention.
