

**CITY OF CALISTOGA
CITY MANAGER'S OFFICE
MEMORANDUM**

To: Honorable Mayor and City Council
From: James C. McCann, City Manager
Date: June 12, 2008
Subject: City Council and Planning Commission Joint Meeting

At the June 3, 2008 Council Meeting the City Council expressed the desire to schedule a joint meeting with the Planning Commission. It has been a good practice to hold these joint meetings to allow an opportunity for both bodies to meet together and discuss various topics. The Planning Commissioners are available for a joint meeting on Wednesday, June 25, 2008 at 6:30 p.m. following their regularly scheduled meeting at the Community Center. Following are some topics suggested by the Planning Commissioners to be discussed:

1. The need to revisit the Growth Management System and to identify changes to make it more efficient and useful.
2. General ideas for the Development Objectives for the 2009 Growth Management Cycle.

It is suggested that Councilmembers determine whether June 25th is an acceptable date for the joint meeting and identify any desired topics for discussion.
