Calistoga, CA 94515**

John,

Thank you for the opportunity to submit this proposal for your serious consideration for Bay Alarm to design and install the CCTV System for the buildings below. The method of installation and the list of equipment are as follows:

CCTV System:

Bay Alarm to Install:

1 – Digital Watchdog 4 Channel DVR: at Interior Office

8 – Bosch Flexidome Cameras: Pool Area (3), Parking Lot (2), Building North, Building South (2)

1 – Power Supply: at DVR

1 – 17 inch Monitor: at DVR

1 – Surge Protector: at DVR

- **Conduit Where Necessary**
- **Customer to Provide PC and Internet Connection for Remote Viewing**
- **Customer to Provide Sufficient Lighting for Cameras**
- **Customer to Provide Conduit with Pull String for any Remote Mounting Locations (Ex. Baseball Backstop)**

Bay Retained System (5 year term)

Installation charge associated with this system: \$3495.00

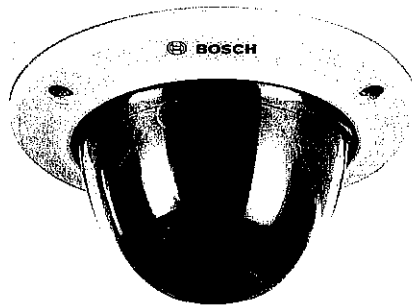

Monthly Service charge: \$110.00

User Owned System (5 year term)

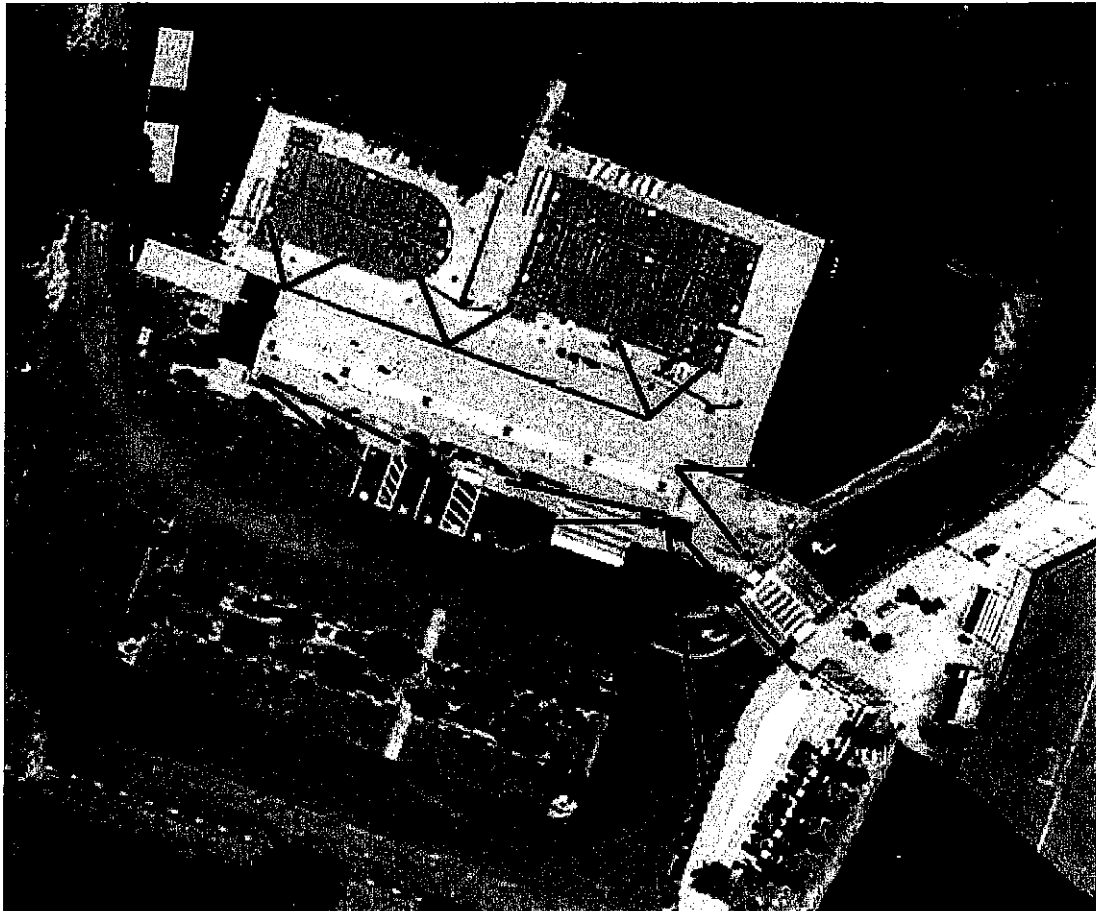

Installation charge associated with this system: \$6495.00

Monthly Service charge: \$75.00

Bosch Flexidome Camera:

Layout:

I hope the above meets your current needs. If you have any questions please call. I look forward to hearing from you in the affirmative.

Sincerely,

Bryan Jungwirth
