Subject: Hitchcock Appeal

Erik,
I am a friend of Robert and Lily Hitchcock. I do not know if Mr. Hitchcock has contacted you, but a member of their immediate family passed away Sunday, and they had to leave the area Monday. Mr. Hitchcock was planning on attending tonight's City Council meeting, but he cannot now. When the matter of his appeal was to be addressed by the City Council he was going to ask them to not dismiss his appeal and he intended on requesting that the City Council schedule a hearing so he would be afforded the opportunity to address the City Council directly on his appeal. On Mr. Hitchcock's behalf I would appreciate it if you would convey his regrets to the City Council for not attending tonight's meeting and forward his request to the City Council to not dismiss his appeal and to schedule a hearing for his appeal. If you could confirm receipt of this email and that you would be so kind as to convey Mr. Hitchcock's request to the City Council that would be very much appreciated.

Sincerely,
Aldaron Laird
