ARTICLE V

General Duties

- 5.1 It shall be the duty of the Trustee to hold title to assets held in respect of the Plan in the Trustee's name as directed by the Employer or its designees in writing. The Trustee shall not be under any duty to compute the amount of contributions to be paid by the Employer or to take any steps to collect such amounts as may be due to be held in trust under the Plan. The Trustee shall not be responsible for the custody, investment, safekeeping or disposition of any assets comprising the Trust, to the extent such functions are performed by the Employer or the Administrator, or both.
- 5.2 It shall be the duty of the Employer, subject to the provisions of the Plan, to pay over to the Administrator or other person designated hereunder from time to time the Employer's contributions and Participants' contributions under the Plan and to inform the Trustee in writing as to the identity and value of the assets titled in the Trustee's name hereunder and to keep accurate books and records with respect to the Participants of the Plan.

ARTICLE VI

Investments

- 6.1 The Employer may appoint one or more investment managers to manage and control all or part of the assets of the Trust and the Employer shall notify the Trustee in writing of any such appointment.
- 6.2 The Trustee shall not have any discretion or authority with regard to the investment of the Trust and shall act solely as a directed Trustee of the assets of which it holds title. To the extent directed by the Employer (or Participants or their Spouses and Dependents to the extent provided herein) the Trustee is authorized and empowered with the following powers, rights and duties, each of which the Trustee shall exercise in a nondiscretionary manner:

- (a) To cause stocks, bonds, securities, or other investments to be registered in its name as Trustee or in the name of a nominee, or to take and keep the same unregistered;
- (b) To employ such agents and legal counsel as it deems advisable or proper in connection with its duties and to pay such agents and legal counsel a reasonable fee. The Trustee shall not be liable for the acts of such agents and counsel or for the acts done in good faith and in reliance upon the advice of such agents and legal counsel, provided it has used reasonable care in selecting such agents and legal counsel;
- (c) To exercise where applicable and appropriate any rights of ownership in any contracts of insurance in which any part of the Trust may be invested and to pay the premiums thereon; and
- (d) At the direction of the Employer (or Participants, their Spouses, their Dependents, or the investment manager, as the case may be) to sell, write options on, convey or transfer, invest and reinvest any part thereof in each and every kind of property, whether real, personal or mixed, tangible or intangible, whether income or non-income producing and wherever situated, including but not limited to, time deposits (including time deposits in the Trustee or its affiliates, or any successor thereto, if the deposits bear a reasonable rate of interest), shares of common and preferred stock, mortgages, bonds, leases, notes, debentures, equipment or collateral trust certificates, rights, warrants, convertible or exchangeable securities and other corporate, individual or government securities or obligations, annuity, retirement or other insurance contracts, mutual funds (including funds for which the Trustee or its affiliates serve as investment advisor, custodian or in a similar or related capacity), or in units of any other common, collective or commingled trust fund.

6.3 Notwithstanding anything to the contrary herein, the assets of the Plan shall be held by the Trustee as title holder only. Persons holding custody or possession of assets titled to the Trust shall include the Employer, the Administrator, the investment manager, and any agents and subagents, but not the Trustee. The Trustee shall not be responsible or liable for any loss or expense which may arise from or result from compliance with any direction from the Employer, the Administrator, the investment manager, or such agents to take title to any assets nor shall the Trustee be responsible or liable for any loss or expense which may result from the Trustee's refusal or failure to comply with any direction to hold title, except if the same shall involve or result from the Trustee's negligence or intentional misconduct. The Trustee may refuse to comply with any direction from the Employer, the Administrator, the investment manager, or such agents in the event that the Trustee, in its sole and absolute discretion, deems such direction illegal.

6.4 The Employer hereby indemnifies and holds the Trustee harmless from any and all actions, claims, demands, liabilities, losses, damages or reasonable expenses of whatsoever kind and nature in connection with or arising out of (i) any action taken or omitted in good faith by the Trustee in accordance with the directions of the Employer or its agents and subagents hereunder, or (ii) any disbursements of any part of the Trust made by the Trustee in accordance with the directions of the Employer, or (iii) any action taken by or omitted in good faith by the Trustee with respect to an investment managed by an investment manager in accordance with any direction of the investment manager or any inaction with respect to any such investment in the absence of directions from the investment manager. Notwithstanding anything to the contrary herein, the Employer shall have no responsibility to the Trustee under the foregoing indemnification if the Trustee fails negligently, intentionally or recklessly to perform any of the duties undertaken by it under the provisions of this Trust.

6.5 Notwithstanding anything to the contrary herein, the Employer or, if so designated by the Employer, the Administrator and the investment manager or another agent of the Employer, will be responsible for valuing all assets so acquired for all purposes of the Trust and of holding, investing, trading and disposing of the same. The Employer will indemnify and hold the Trustee harmless against any and all claims, actions, demands, liabilities, losses, damages, or expenses of whatsoever kind and nature, which arise from or are related to any use of such valuation by the Trustee or holding, trading, or disposition of such assets.

6.6 The Trustee shall and hereby does indemnify and hold harmless the Employer from any and all actions, claims, demands, liabilities, losses, damages and reasonable expenses of whatsoever kind and nature in connection with or arising out of (a) the Trustee's failure to follow the directions of the Employer, the Administrator, the investment manager, or agents thereof, except as permitted by the last sentence of Section 6.3 above; (b) any disbursements made without the direction of the Employer, the Administrator, the investment manager or agents thereof; and (c) the Trustee's negligence, willful misconduct, or recklessness with respect to the Trustee's duties under this Declaration.

ARTICLE VII

Contributions

- 7.1 **Employer Contributions.** The Employer shall contribute to the Trust such amounts as specified in the Plan or by resolution.
- 7.2 **Accrued Leave.** Contributions up to an amount equal to the value of accrued sick leave, vacation leave, or other type of accrued leave, as permitted under the Plan. The Employer's Plan must provide a formula for determining the value of the Participant's contribution of accrued leave. The Employer's Plan must contain a forfeiture provision that will prevent Participants from receiving the accrued leave in cash in lieu of a contribution to the Trust.
- 7.3 **Accounts.** Employer contributions, including mandatory Participant contributions, and contributions of accrued leave, all investment income and realized and unrealized gains and losses, and forfeitures allocable thereto will be deposited into an Account in the name of the Participant for the exclusive benefit of the Participant, his Spouse and Dependents. The assets in each Participant's Account may be invested in Investment Funds as directed by the Participant (or, after the Participant's death, by the Spouse or Dependents) or the Employer, as required under the Plan, from among the Investment Funds selected by the Employer.
- 7.4 **Receipt of Contributions.** The Employer or, if so designated by the Employer, the Administrator or investment manager or another agent of the Employer, shall receive all contributions paid or delivered to it hereunder and shall hold, invest, reinvest and administer such contributions pursuant to this Declaration, without distinction between principal and income. The Trustee shall not be responsible for the calculation or collection of any contribution under the Plan, but shall hold title to property received in respect of the Plan in the Trustee's name as directed by the Employer or its designee pursuant to this Declaration.
- 7.5 No amount in any Account maintained under this Trust shall be subject to transfer, assignment, or alienation, whether voluntary or involuntary, in favor of any creditor, transferee, or assignee of the Employer, the Trustee, any Participant, his Spouse, or Dependent.
- 7.6 Upon the satisfaction of all liabilities under the Plan to provide such benefits, any amount of Employer contributions, plus accrued earnings thereon, remaining in such separate Accounts must, under the terms of the Plan, be returned to the Employer.

ARTICLE VIII

Other Plans

If the Employer hereafter adopts one or more other plans providing life, sickness, accident, medical, disability, severance, or other benefits and designates the Trust hereby created as part of such other plan, the Employer or, if so designated by the Employer, the Administrator or an investment manager or another agent of the Employer shall, subject to the terms of this Declaration, accept and hold hereunder contributions to such other plans. In that event (a) the Employer or, if so designated by the Employer, the Administrator or an investment manager or another agent of the Employer, may commingle for investment purposes the contributions received under such other plan or plans with the contributions previously received by the Trust, but the books and records of the Employer or, if so designated by the Employer, the Administrator or an investment manager or another agent of the Employer, shall at all times show the portion of the Trust Fund allocable to each plan; (b) the

term "Plan" as used herein shall be deemed to refer separately to each other plan; and (c) the term "Employer" as used herein shall be deemed to refer to the person or group of persons which have been designated by the terms of such other plans as having the authority to control and manage the operation and administration of such other plan.

ARTICLE IX

Disbursements and Expenses

- 9.1 The Employer or its designee shall make such payments from the Trust at such time to such persons and in such amounts as shall be authorized by the provisions of the Plan provided, however, that no payment shall be made, either during the existence of or upon the discontinuance of the Plan (subject to Section 7.6), which would cause any part of the Trust to be used for or diverted to purposes other than the exclusive benefit of the Participants, their Spouses and Dependents pursuant to the provisions of the Plan.
- 9.2 All payments of benefits under the Plan shall be made exclusively from the assets of the Accounts of the Participants to whom or to whose Spouse or Dependents such payments are to be made, and no person shall be entitled to look to any other source for such payments.
- 9.3 The Employer, Trustee and Administrator may be reimbursed for expenses reasonably incurred by them in the administration of the Trust. All such expenses, including, without limitation, reasonable fees of accountants and legal counsel to the extent not otherwise reimbursed, shall constitute a charge against and shall be paid from the Trust upon the direction of the Employer.

ARTICLE X

Accounting

- 10.1 The Trustee shall not be required to keep accounts of the investments, receipts, disbursements, and other transactions of the Trust, except as necessary to perform its title-holding function hereunder. All accounts, books, and records relating thereto shall be maintained by the Employer or its designee.
- 10.2 As promptly as possible following the close of each year, the Trustee shall file with the Employer a written account setting forth assets titled to the Trust as reported to the Trustee by the Employer or its designee.

ARTICLE XI

Miscellaneous Provisions

- 11.1 Neither the Trustee nor any affiliate thereof shall be required to give any bond or to qualify before, be appointed by, or account to any court of law in the exercise of its powers hereunder.
- 11.2 No person transferring title or receiving a transfer of title from the Trustee shall be obligated to look to the propriety of the acts of the Trustee in connection therewith.
- 11.3 The Employer may engage the Trustee as its agent in the performance of any duties required of the Employer under the Plan, but such agency shall not be deemed to increase the responsibility or liability of the Trustee under this Declaration.
- 11.4 The Employer shall have the right at all reasonable times during the term of this Declaration and for three (3) years after the termination of this Declaration to examine, audit, inspect, review, extract information from, and copy all books, records, accounts, and other documents of the Trustee relating to this Declaration and the Trustees' performance hereunder.

ARTICLE XII

Amendment and Termination

- 12.1 The Employer reserves the right to alter, amend, or (subject to Section 9.1) terminate this Declaration at any time for any reason without the consent of the Trustee or any other person, provided that no amendment affecting the rights, duties, or responsibilities of the Trustee shall be adopted without the execution of the Trustee to the amendment. Any such amendment shall become effective as of the date provided in the amendment, if requiring the Trustee's execution, or on delivery of the amendment to the Trustee, if the Trustee's execution is not required.
- 12.2 Upon termination of this Declaration and upon the satisfaction of all liabilities under the Plan to provide such benefits, any amount of Employer contributions, plus accrued earnings thereon, remaining in such separate Accounts must, under the terms of the Plan, be returned to the Employer.

ARTICLE XIII

Successor Trustees

- 13.1 The Employer reserves the right to discharge the Trustee for any or no reason, at any time by giving ninety (90) days' advance written notice.
- 13.2 The Trustee reserves the right to resign at any time by giving ninety (90) days' advance written notice to the Employer.
- 13.3 In the event of discharge or resignation of the Trustee, the Employer may appoint a successor Trustee who shall succeed to all rights, duties, and responsibilities of the former Trustee under this Declaration, and the terminated Trustee shall be deemed discharged of all duties under this Declaration and responsibilities for the Trust.

ARTICLE XIV

Limited Effect of Plan and Trust

Neither the establishment of the Plan and the Trust or any modification thereof, the creation of any fund or account, nor the payment of any benefits, shall be construed as giving to any person covered under the Plan or other person any legal or equitable right against the Trustee, the Administrator, the Employer or any officer or employee thereof, except as may otherwise be expressly provided in the Plan or in this Declaration.

ARTICLE XV
Protective Clause

Neither the Administrator, the Employer, nor the Trustee shall be responsible for the validity of any contract of insurance or other arrangement maintained in connection with the Plan, or for the failure on the part of the insurer or provider to make payments provided by such contract, or for the action of any person which may delay payment or render a contract void or unenforceable in whole or in part.

IN WITNESS WHEREOF, the Employer and the Trustee have executed this Declaration by their respective duly authorized officers, as of the date first hereinabove mentioned.

All determinations of the Employer with respect to any matter hereunder shall be conclusive and binding on all persons.

Without limiting the generality of the foregoing, the Employer shall have the following powers and duties:

- a) To decide on questions concerning the Plan and the eligibility of any Employee to participate in the Plan, in accordance with the provisions of the Plan;

6.02 Provision for Third-Party Plan Service Providers

The Plan Administrator, subject to approval of the Employer, may employ the services of such persons as it may deem necessary or desirable in connection with operation of the Plan. ARTICLE VII

Claims Procedure

7.01 Procedure if Benefits are Denied Under the Plan

Any Participant, Spouse, Dependent, or his duly authorized representative may file a claim for a plan benefit to which the claimant believes that he is entitled. Such a claim must be in writing on a form provided by the Plan Administrator and delivered to the Plan Administrator, in person or by mail, postage paid. Within thirty (30) days after receipt of such claim, the Plan Administrator shall send to the claimant, by mail, postage prepaid, notice of the granting or denying, in whole or in part, of such claim, unless special circumstances require an extension of time for processing the claim. In no event may the extension exceed forty-five (45) days from the end of the initial period. If such extension is necessary, the claimant will be given a written notice to this effect prior to the expiration of the initial 30-day period. If such extension is necessary due to a failure of the Participant, Spouse or Dependent to submit the information necessary to decide the claim, the notice of extension shall describe the required information and the claimant shall be afforded at least forty-five (45) days from receipt of the notice within which to provide such information. The Plan Administrator shall have full discretion to deny or grant a claim in whole or in part. If notice of the denial of a claim is not furnished in accordance with this Section, the claim shall be deemed denied and the claimant shall be permitted to exercise his right to review pursuant to Sections 7.03 and 7.04.

7.02 Requirement for Written Notice of Claim Denial

The Plan Administrator shall provide, to every claimant who is denied a claim for benefits, written notice setting forth in a manner calculated to be understood by the claimant:

- a) The specific reason or reasons for the denial;
- b) Specific reference to pertinent Plan provisions on which the denial is based;
- c) A description of any additional material of information necessary for the claimant to perfect the claim and an explanation of why such material is necessary, and
- d) An explanation of the Plan's claim review procedure.

7.03 Right to Request Hearing on Benefit Denial

Within one-hundred eighty (180) days after the receipt by the claimant of written notification of the denial (in whole or in part) of his claim, the claimant or his duly authorized representative, upon written application to the Plan Administrator, in person or by certified mail, postage prepaid, may request a review of such denial, may review pertinent documents, and may submit issues and comments in writing.

7.04 Disposition of Disputed Claims

Upon its receipt of notice of a request for review, the Plan Administrator shall make a prompt decision on the review. The decision on review shall be written in a manner calculated to be understood by the claimant and shall include specific reasons for the decision and specific references to the pertinent plan provisions on which the decision is based. The decision on review shall be made not later than sixty (60) days after the Plan Administrator's receipt of a request for a review, unless special circumstances require an extension of time for processing, in which case a decision shall be rendered not later than one hundred-twenty (120) days after receipt of a request for review. If an extension is necessary, the claimant shall be given written notice of the extension prior to the expiration of the initial sixty (60) day period. If notice of the decision on the review is not furnished in accordance with this Section, the claim shall be deemed denied and the claimant shall be permitted to exercise his right to legal remedy pursuant to Section 7.05.

While the Employer fully expects that this Plan will continue indefinitely, due to unforeseen, future business contingencies, permanency of the Plan will be subject to the Employer's right to amend or terminate the Plan, as provided in Sections 8.02 and 8.03, below.

8.02 Employer's Right to Amend

The Employer reserves the right to amend the Plan at any time and from time-to-time, and retroactively if deemed necessary or appropriate to meet the requirements of the Code, or any similar provisions of subsequent revenue or other laws, or the rules and regulations in effect under any of such laws or to conform with governmental regulations or other policies, to modify or amend in whole or in part any or all of the provisions of the Plan.

8.03 Employer's Right to Terminate

The Employer reserves the right to discontinue or terminate the Plan at any time without prejudice.

ARTICLE IX

General Provisions

9.01 No Employment Rights Conferred

Neither this Plan nor any action taken with respect to it shall confer upon any person the right to be continued in the employment of the Employer.

9.02 Payments After Death of Participant

Any benefits otherwise payable to a Participant following the date of death of such Participant shall be paid as outlined in the Employer's VantageCare Retirement Health Savings Plan Adoption Agreement.

9.03 Nonalienation of Benefits

No benefit under the Plan shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance or charge, and any attempt to do so shall be void. No benefit under the Plan shall in any manner be liable for or subject to the debts, contracts, liabilities, engagements or torts of any person. If any person entitled to benefits under the Plan becomes bankrupt or attempts to anticipate, alienate, sell, transfer, assign, pledge, encumber or charge any benefit under the Plan, or if any attempt is made to subject any such benefit to the debts, contracts, liabilities, engagements or torts of the person entitled to any such benefit, except as specifically provided in the Plan, then such benefit shall cease and terminate in the discretion of the Plan Administrator, and he may hold or apply the same or any part thereof to the benefit of any dependent of such person, in such manner and proportion as he may deem proper.

9.04 Mental or Physical Incompetency

If the Plan Administrator determines that any person entitled to payments under the Plan is incompetent by reason of physical or mental disability, he may cause all payments thereafter becoming due to such person to be made to any other person for his benefit, without responsibility to follow the application of amounts so paid. 9.06 Requirement of Proper Forms

All communications in connection with the Plan made by a Participant shall become effective only when duly executed on forms provided by and filed with the Plan Administrator.

Dear :

This is in response to a letter dated October 12, 1999, and prior correspondence, requesting a private letter ruling that Trust is an integral part of City.

FACTS

City is a political subdivision of State. City currently maintains one or more post-retirement welfare benefit plans (collectively, the "Plan") that provide its eligible employees ("Participants") and their beneficiaries ("Beneficiaries") with life, sickness, medical, disability, severance and other similar benefits through insurance and self-funded reimbursement plans.

City intends to establish Trust to hold assets and income of the Plan for the exclusive benefit of Participants and their Beneficiaries.

Trust's Declaration defines "Beneficiaries" to include a Participant's spouse, any child of the Participant or the Participant's spouse who is a minor or a student within the meaning of section 151(c)(4) of the Internal Revenue Code, any other minor child residing with the Participant, and any other individual who is a person described in section 152(a) of the Code. Death benefits may be provided to any Beneficiary designated by a Participant under the terms of a death benefit program or an insurance contract forming part of the Plan. Trust

may provide benefits by cash payment, and may reimburse a Participant, City, or Trust's Administrator for insurance premiums or other payments expended for permissible benefits under the Plan.

Under Trust's Declaration, City will be the Administrator of Trust. City may appoint one or more investment managers to manage and control all or part of the assets of Trust. Under Trust's Declaration, the Trustee will hold assets only as titleholder. Persons having custody or possession of assets may include City, the Administrator of Trust, the investment manager, and their agents and subagents, but not the Trustee. The Trustee will have no discretion or authority with regard to the investments of Trust and will act solely as a directed Trustee with respect to the assets to which it holds title.

The Trustee will not be responsible or liable for any loss or expense that may arise or result from complying with any direction from the City, the Administrator, the investment manager, or such agents to take title to any assets, or from the Trustee's refusal or failure to comply with any direction to hold title, unless it involves or results from the Trustee's negligence or intentional misconduct. The Trustee may refuse to comply with any direction if it deems such direction illegal.

City indemnifies and holds the Trustee harmless from any actions, claims, demands, liabilities, losses, damages or reasonable expenses of any kind in connection with or arising out of (i) any action taken or omitted in good faith in accordance with its directions, (ii) any disbursements made in accordance with directions, or (iii) any action taken by or omitted by the Trustee with respect to an investment managed by an investment manager in accordance with any direction of the investment manager or any inaction regarding any investment in the absence of directions from the investment manager. City, however, has no responsibility to the Trustee under the indemnification if the Trustee fails negligently, intentionally, or reckless to perform its duties.

City will contribute to Trust such amounts as specified in the Plan or by resolution. No other person or persons will be permitted to make any contributions.

The Plan must provide a formula for determining the value of a Participant's accrued vacation leave, sick leave, or both, in excess of a threshold number of hours of such leave. City may contribute amounts so determined to Trust. The Plan will contain a forfeiture provision that will prevent Participants and their Beneficiaries from receiving cash in lieu of a contribution to Trust in their behalf. Contributions, investment income, realized and unrealized gains and losses, and forfeitures will be deposited into an account in Trust in the name of the Participant

for the exclusive benefit of the Participant and his or her Beneficiaries. A Participant may direct the investment of amounts in her or his account among investments selected by City. No amount in any account will be subject to transfer, assignment, or alienation, whether voluntary or involuntary, in favor of any creditor, transferee, or assignee of City, the Trustee, Participant or Beneficiary.

City or the Administrator, investment manager, or other agent designated by City will receive contributions and will hold, invest, and administer contributions without distinction between principal and income. The Trustee will not be responsible for the calculation or collection of contributions, but will hold title to property received as directed by City or its designee. The Trustee will not be required to keep accounts of the investments, receipts, disbursements, and other transaction of Trust except as necessary to perform its title-holding function. City or its designee will maintain all books and records.

City reserves the right to alter, amend, or terminate Trust at any time for any reason without the consent of any person. No amendment affecting the Trustee is effective without the Trustee's consent, and no termination can result in any part of Trust's assets being used for or diverted to purposes other than the exclusive benefit of Participants and Beneficiaries.

If City adopts other plans providing life, sickness, accident, medical, disability, severance, or other benefits and designates Trust as part of such plan, City or its agent will hold contributions to such plan in Trust. The contributions may be commingled for investment purposes, but the books and record of Trust must show the portion of Trust allocable to each plan.

Upon the satisfaction of all liabilities under the Plan to provide benefits, any amounts remaining in any account must be returned to City.

LAW & ANALYSIS

Income of an integral part of a state or political subdivision of a state is not taxable absent specific statutory authorization. See Rev. Rul. 87-2, 1987-1 C.B. 18; section 511(a)(2)(B) of the Code, GCM 14407, C.B. XIV-1, 103 (1935), superseded by Rev. Rul. 71-131, 1971-1 C.B. 28. Whether an enterprise is an integral part depends on facts and circumstances such as the state's degree of control over the enterprise and its financial commitment to the enterprise. If an enterprise is an integral part of a state or political subdivision of a state, it will not be treated as a separate entity for federal tax purposes, though it may have been formed as a separate entity

under state law. Section 301.7701-1(a)(3) of the Procedural and Administrative Regulations.

City has made a substantial financial commitment to Trust by providing all of its funding. City retains complete control over Trust because it may amend or terminate Trust at any time. City retains control over the daily operation of Trust by its power to appoint or remove agents who manage daily operation. The Trustee is merely a title holder with no power to manage Trust.

CONCLUSION

Provided that City is the only person that makes contributions to Trust, and Trust accepts or holds only amounts of money contributed by City, Trust will be an integral part of City, and any income earned on amounts in Trust will not be subject to federal income tax.

This ruling is directed only to the taxpayer that requested it. Section 6110(k)(3) of the Code provides that it may not be used or cited as precedent.

Except as specifically provided otherwise, no opinion is expressed on the federal income tax consequences of the transaction described above.

In accordance with the terms of a power of attorney on file in this office, a copy of this letter is being sent to your authorized representative.
