Subject: Potential Regulations on the Distribution of Single-Use Carryout Bags

Dear Business Owner,

The Calistoga City Council will discuss the adoption of potential regulations on the distribution of single-use carryout bags at its June 3, 2014 meeting. While this will not be a public hearing, the Council is encouraging public input on the proposed regulations. After receiving this input, the Council will likely direct staff to prepare an ordinance that will be subsequently scheduled for a public hearing.

The meeting agenda, staff report and proposed regulations will be available for public review by 4 p.m. on Friday, May 30, 2014, on the City's web site at [www.ci.calistoga.ca.us](http://www.ci.calistoga.ca.us). You can view these materials by clicking on "Calendar" on the home page, then the City Council Meeting item on June 3rd.

You are welcome to submit comments about the proposed regulations in writing prior to or at the Council meeting, or present oral comments at the meeting.

Please contact me at 707.942.2763 or [lgoldberg@ci.calistoga.ca.us](mailto:lgoldberg@ci.calistoga.ca.us) if you have any questions or comments.

Sincerely yours,
