Edward J. Tappan

Celestoga Ad Hoc Celestoga Renovation Review Comm.

allowed me to forge a good understanding of our mutual goals and a working relationship with Davis. The January 7<sup>th</sup> community meeting was also important. I understand the major issues relating to the renovation, including the restoration, needs of friends of the Library and facility upgrades. I will work collaboratively with other members of the Ad Hoc review committee and the County librarian to resolve all remaining issues so that the renovation will begin soon and be completed in timely fashion.

Mr. Chris Canning  
Mayor  
City Hall  
1232 Washington Street  
Calistoga, CA 94515

January 26,2015

Subject: Ad Hoc Library Committee

Dear Mayor Canning,

I am delighted to make an application to assist deliberations on the proposed library upgrade project. I have owned a property at Rancho de Calistoga since July 2013.

I had proposed to our HOA President that he mention to you the rough patch on the bike path near our vehicle storage area. I was really glad you expedited that project for the good of all. Earlier I had volunteered to help on the City Bike Committee but others were appointed. I was just glad there was interest in that matter from other concerned citizens.

At the recent meeting about the Library that you attended I had proposed computers for kids be place in the children's area so they can do their thing the way they like. It seemed to be well received. I note that my idea to create an attractive entrance to the exterior of the Library that bespeaks invitation and welcome was a hit as well. I do hope no matter what happens with my request to participate that the front facing of this facility is dramatically upgraded.

I only desire to participate in your Ad Hoc Committee as I believe I can make a contribution to the deliberations. In 1992 I was selected by the Birmingham, AL Chamber of Commerce as one of their top leaders for my work in revitalizing a part of that City that had housing stock dating to the 1880's. Being a so-called "Yankee", a Roman Catholic and an out, gay man, this was quite a special event for me.

I understand this committee will cease to do business once the work is completed. If I can be of help I certainly am game to do so.

Regards,

Thomas Hughes

*Nancy Barnes Wilson*

To Whom It May Concern:

I am applying for the 'Citizen-at-large' position on the Calistoga Ad Hoc Library Renovation Review Committee.

Our Calistoga library is a wonderful community resource. A place where all ages gather to read, learn and discuss ideas. A place to gather for quiet reading or writing. A fun place for young people to learn the joys of reading with their peers and parents. Where else does this happen today?

We are very lucky to find ourselves with funds available from Napa County to make some necessary and significant changes to the building to make it work for us in the 21st century. It is important to move ahead deliberately to make these changes so that our library functions well. It can become a very vibrant element of our community life. A newly renovated library will bring a new enthusiasm for its resources and programs. We just need to get the public and the plans on the same page.

I am a life-long reader. My degree is in literature. I am a writer. I visit our library weekly and take home stacks of books each week. The library is my place. I would love to help this process of renovation move forward in a timely manner. I have a long history of renovation projects. My husband and I restored an 1878 Italianate Victorian and an 1894 Queen Anne Victorian in San Francisco. We acted as contractors on our present home, a 1935 Normandy cottage, renovating and modernizing it, yet preserving its character. I also worked with a committee to retrofit and renovate the Rectory of St. Luke's Church in San Francisco. I admire the variety of building ages and styles in Calistoga, and I appreciate thoughtful adaptive re-use of buildings when possible. I think I am good at finding the right balance. I would look forward to this challenge in updating our Library.

I have a long history volunteering in San Francisco with the Junior League, the Diocese of California, The San Francisco School Volunteers, Stanford Children's Hospital, Marin Country Day School and the Community Music Center. I have worked on boards for each group, often serving as President or Committee Chair. I am confident working in publicity, fundraising and community relations.

*Nancy Barnes Wilson*

After moving to Calistoga I was a member of the Visioning Group, 1996-97, developing and leading architectural walks in the city, creating a slide show and planning a day-long community “idea day” to gather and prioritize the elements of the Vision for Calistoga’s Future.

For many years I participated in the Napa County Master Gardener Program, 1999-2010, serving as President, Editor of our “Trees of Napa County” book, Publicity chair and various other positions, always trying to bring UCCE good gardening practices to the Calistoga public.

Now I am on the board of the Parkinson’s Support Group of Sonoma County, specifically to develop a Parkinson’s Dance Project in Santa Rosa for people with Parkinson’s, their caregivers and friends.

I believe I have excellent leadership skills. I am a good listener and understand competing points of view. I can see the big picture and all the steps to reach success. I am diplomatic and well-spoken. I am comfortable in public forums and work well with the community to come to consensus. I am good at developing and staying on schedule to see a project to completion.

I think my skills could be useful in this endeavor. I would look forward to participating and have the time to devote to this important project. I would be happy to answer any further questions or provide more information.

My best wishes for a successful Library Renovation.

Sincerely,

*Nancy Wilson*

Nancy B. Wilson
