**Re: Comcast Cable Communications Management, LLC
d/b/a Comcast – Notice of Operation Under State-Issued
Video Franchise in Calistoga, California**

Dear Mr. Spitler:

By this letter, we hereby notify the City of Calistoga that Comcast Cable Communications Management, LLC d/b/a Comcast ("Comcast") will be providing continued video service in Calistoga, pursuant to a state-issued video franchise, in lieu of the former local franchise, consistent with California's state video franchise law. In its capacity as the state franchising authority under the Digital Infrastructure and Video Competition Act of 2006 (*See* Cal. Pub. Util. Code § 5800, *et seq.*), the California Public Utilities Commission issued a California video franchise certificate that gives Comcast the right to offer video service in Calistoga, pursuant to state authority. The certificate is effective September 2, 2015. A copy of the franchise certificate is enclosed for your records.

Should you have any questions about this, please contact me by phone at 415-765-0369, or by email at prosvall@cwclaw.com.

Very truly yours,

Patrick M. Rosvall

Paul Clanon
Executive Director

¹ This Certificate constitutes a grant of authority to provide video service in the service area footprint requested in the Application referenced herein, including but not limited to authority to use the public rights-of-way in exchange for the franchise fee adopted in CAL. PUB. UTIL. CODE §. 5840(q), subject to the laws of this state. This grant of authority is subject to lawful operation of the cable service or video service by the applicant or its successor in interest.

² The state video franchise granted herein may include all or part of the affected local entities' territory. For more information on the video service area covered by this franchise, contact the California Public Utilities Commission.
