

Staff Report

TO: Honorable Mayor and City Council Members
FROM: Michael Kirn, Public Works Director/City Engineer
DATE: July 18, 2017
SUBJECT: Consideration of a Resolution Authorizing the Levying and Collection of Assessments for the Silverado Place Landscape Maintenance District for Fiscal Year 2017-18.

APPROVAL FOR FORWARDING:

Dylan Feik, City Manager

1
2 **ISSUE:** Consideration of a Resolution authorizing the levying and collection of
3 assessments for the Silverado Place Landscape Maintenance District for Fiscal Year 2017-
4 18.

5
6 **RECOMMENDATION:** Conduct a public hearing and consider adoption of a resolution
7 approving the assessment amount and authorizing the levying and collection of
8 assessments for Fiscal Year 2017-18.

9
10 **BACKGROUND/DISCUSSION:** As a condition of the development of the Silverado Place
11 Subdivision, a landscaping assessment district was established to fund the maintenance of
12 the area adjacent to State Route 29 on the north side of the development.

13
14 The Landscaping and Lighting Act of 1972 (Streets and Highways Code 22500-22647)
15 requires that the City undertake certain proceedings for any fiscal year during which
16 assessments are to be levied and collected. These proceedings are usually accomplished
17 at three separate Council meetings.

18
19 On June 6, 2017, the Council adopted a resolution directing the City Engineer to prepare
20 and file a report for the Silverado Place Landscape Maintenance Assessment District for
21 Fiscal Year 2017-2018. On June 20, 2017, the Council adopted a resolution approving the
22 Engineer's Report, declaring the City Council's intent to levy and collect assessments and
23 setting July 18, 2017 as the date for the public hearing.

24
25 Tonight's action is the third and final Council action on these annual proceedings. At the

26 conclusion of the public hearing, the Council can authorize the levying and collection of the
27 annual assessments for the Silverado Place Landscape Maintenance District in the amount
28 of \$66.67/parcel. This is the same amount as was assessed in Fiscal Year 2016-17.

29
30 **CONSISTANCY WITH CITY COUNCIL GOALS AND OBJECTIVES:** The recommended
31 action supports the FY 2017-18 City Council Goal No. 3, Objective 1 by providing a funding
32 mechanism to "...maintain the high level of service and reliability of the City's infrastructure
33 systems and facilities." The LMD provides a funding mechanism for maintenance of the
34 landscaping that benefits the properties in the LMD. Without this funding mechanism, the
35 City would have to consider termination of landscape maintenance or use other
36 discretionary funding to cover the maintenance costs.

37
38 **FISCAL IMPACT:** The Assessment District was originally established with intent of having
39 no fiscal impact on the City of Calistoga for the purposes of maintaining the landscaping
40 and administration. However, estimated costs for FY 2017-18 are expected to exceed the
41 total assessment in the amount of \$567. This amount has been included in the overall Park
42 Maintenance budget under Account # 01-4123-4402. Any proposed increase in the
43 amount of the assessment would require balloting of the property owners under the
44 provisions of Proposition 218.
