WHEREAS, City desires to retain Consultant pursuant to this Agreement to provide the services described in Section 3 of this Agreement.

**Agreement**

NOW, THEREFORE, in consideration of their mutual covenants, the parties hereto agree as follows:

1. **Incorporation of Recitals.** The recitals set forth above, and all defined terms set forth in such recitals and in the introductory paragraph preceding the recitals, are hereby incorporated into this Agreement as if set forth herein in full.

2. **Project Coordination.**

A. **City.** The City Manager or his/her designee, shall represent City for all purposes under this Agreement. The City Manager or designee is hereby designated as the Project Manager. The Project Manager shall supervise the progress and execution of this Agreement.

B. **Consultant.** The Consultant shall assign John Kenny, P.E. to have overall responsibility for the progress and execution of this Agreement for Consultant.

3. **Scope and Performance of Services.**

A. **Scope of Services.** Subject to such policy direction and approvals as the City through its staff may determine from time to time, Consultant shall perform the services set out in the "Scope of Work" attached hereto as Exhibit A and incorporated herein by reference.

B. Time of Performance. The services of Consultant are to commence no sooner than March 7, 2018 and be completed not later than July 31, 2018. Consultant shall perform its services in accordance with the schedule attached hereto as Exhibit A, and incorporated herein by reference. Any changes to these dates in either this Section 3 or Exhibit A must be approved in writing by the Project Manager.

C. Standard of Quality. City relies upon the professional ability of Consultant as a material inducement to entering into this Agreement. All work performed by Consultant under this Agreement shall be in accordance with all applicable legal requirements and shall meet the standard of quality ordinarily to be expected of competent professionals in Consultant's field of expertise.

4. Compensation and Method of Payment.

A. Compensation. The compensation to be paid to Consultant, including both payment for professional services and reimbursable expenses, shall be at the rate and schedules attached hereto as Exhibit A, and incorporated herein by reference. However, in no event shall the amount City pays Consultant exceed Fifty Thousand Dollars (\$50,000). Payment by City under this Agreement shall not be deemed a waiver of unsatisfactory work, even if such defects were known to the City at the time of payment.

B. Timing of Payment.

Consultant shall submit itemized monthly statements for work performed. City shall make payment, in full, within thirty (30) days after approval of the invoice by the Project Manager.

C. Changes in Compensation. Consultant will not undertake any work that will incur costs in excess of the amount set forth in Paragraph 4(A) without prior written amendment to this Agreement.

D. Taxes. Consultant shall pay all taxes, assessments and premiums under the federal Social Security Act, any applicable unemployment insurance contributions, Workers Compensation insurance premiums, sales taxes, use taxes, personal property taxes, or other taxes or assessments now or hereafter in effect and payable by reason of or in connection with the services to be performed by Consultant.

E. No Overtime or Premium Pay. Consultant shall receive no premium or enhanced pay for work normally understood as overtime, i.e., hours that exceed forty (40) hours per work week, or work performed during non-standard business hours, such as in the evenings or on weekends. Consultant shall not receive a premium or enhanced pay for work performed on a recognized holiday. Consultant shall not receive paid time off for days not worked, whether it be in the form of sick leave, administrative leave, or for any other form of absence.

F. Litigation Support. Consultant agrees to testify at City's request if litigation is brought against City in connection with Consultant's work product. Unless the action is brought by Consultant or is based upon Consultant's negligence, City will compensate

Consultant for the preparation and the testimony at Consultant's standard hourly rates, if requested by City and not part of the litigation brought by City against Consultant.

5. Amendment to Scope of Work. City shall have the right to amend the Scope of Work within the Agreement by written notification to the Consultant. In such event, the compensation and time of performance shall be subject to renegotiation upon written demand of either party to the Agreement. Consultant shall not commence any work exceeding the Scope of Work without prior written authorization from the City. Failure of the Consultant to secure City's written authorization for extra or changed work shall constitute a waiver of any and all right to adjustment in the contract price or time due, whether by way of compensation, restitution, quantum meruit, etc. for work done without the appropriate City authorization.

6. Term. This Agreement shall commence upon its execution and shall continue in full force and effect until completed, amended pursuant to Section 21, or otherwise terminated as provided herein.

7. Inspection. Consultant shall furnish City with every reasonable opportunity for City to ascertain that the services of Consultant are being performed in accordance with the requirements and intentions of this Agreement. All work done and all materials furnished, if any, shall be subject to the Project Manager's inspection and approval. The inspection of such work shall not relieve Consultant of any of its obligations to fulfill the Agreement as prescribed.

8. Ownership of Documents. Title to all plans, specifications, maps, estimates, reports, manuscripts, drawings, descriptions and other final work products compiled by the Consultant under the Agreement shall be vested in City, none of which shall be used in any manner whatsoever, by any person, firm, corporation, or agency without the expressed written consent of the City. Basic survey notes and sketches, charts, computations, and other data prepared or obtained under the Agreement shall be made available, upon request, to City without restriction or limitations on their use. Consultant may retain copies of the above-described information but agrees not to disclose or discuss any information gathered, discussed or generated in any way through this Agreement without the written permission of City during the term of this Agreement, unless required by law.

9. Employment of Other Consultants, Specialists or Experts. Consultant will not employ or otherwise incur an obligation to pay other consultants, specialists, or experts for services in connection with this Agreement without the prior written approval of the City.

10. Conflict of Interest.

A. Consultant covenants and represents that neither it, nor any officer or principal of its firm, has, or shall acquire any investment, income, business entity, interest in real property, or other interest, directly or indirectly, which would conflict in any manner with the interests of City, hinder Consultant's performance of services under this Agreement, or be affected in any manner or degree by performance of Consultant's services hereunder. Consultant further covenants that in the performance of the Agreement, no person having any such interest shall be employed by it as an officer, employee, agent, or subcontractor without the express written consent of the City. Consultant agrees to at all times avoid conflicts of interest, or the

appearance of any conflicts of interest, with the interests of the City in the performance of the Agreement.

B. Consultant is not a designated employee within the meaning of the Political Reform Act because Consultant:

(1) will conduct research and arrive at conclusions with respect to its rendition of information, advice, recommendation, or counsel independent of the control and direction of the City or of any City official, other than normal contract monitoring; and

(2) possesses no authority with respect to any City decision beyond the rendition of information, advice, recommendation, or counsel. (2 Cal. Code Regs. § 18700(a)(2).)

11. Liability of Members and Employees of City. No member of the City and no other officer, employee or agent of the City shall be personally liable to Consultant or otherwise in the event of any default or breach of the City, or for any amount which may become due to Consultant or any successor in interest, or for any obligations directly or indirectly incurred under the terms of this Agreement.

12. Indemnity. Consultant hereby agrees to defend, indemnify and hold harmless the City, its officers, agents, employees, volunteers, and servants from and against any and all claims, demands, damages, costs, liabilities, or obligations for bodily injury, death and property damage only to the extent that such claims are caused by the negligence, recklessness or willful misconduct of the Consultant, its officers, employees, agents and subcontractors on account of or arising from Consultant's performance of services. For liability arising out of the performance of professional services, the Consultant shall indemnify, hold harmless, and defend the City, its officers, agents, employees, volunteers, and servants from and against any and all claims, demands, damages, costs, liabilities, or obligations to the extent such claims are caused by the negligent, reckless, or intentional acts or omissions of the Consultant, its officers, employees, agents and subcontractors in the performance of professional services under this Agreement. Notwithstanding any contrary provision herein, it is hereby agreed that the Consultant's obligation to defend or to pay the defense costs of the City arising out of the performance of professional services shall only apply if and when, and to the extent that the parties agree on, or a court or other forum of competent jurisdiction has determined, the percentage of Consultant's fault for the liability alleged, in which case Consultant shall be obligated to pay the amount equal to the percentage of its fault that has been actually determined.

13. Consultant Not an Agent of City. Consultant, its officers, employees and agents shall not have any power to bind or commit the City to any decision.

14. Independent Contractor. It is expressly agreed that Consultant, in the performance of the work and services agreed to be performed by Consultant, shall act as and be an independent contractor and not an agent or employee of City; and as an independent contractor, Consultant shall obtain no rights to retirement benefits or other benefits which accrue to City's employees, and Consultant hereby expressly waives any claim it may have to any such rights.

15. Compliance with Laws.

A. General. Consultant shall use the standard of care in its profession to comply with all applicable federal, state, and local laws, codes, ordinances, and regulations. Consultant represents and warrants to City that it has and shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement any licenses, permits, insurance and approvals which are legally required for Consultant to practice its profession. Consultant shall maintain a City business license. The City is not responsible or liable for Consultant's failure to comply with any or all of the requirements contained in this paragraph.

B. Workers' Compensation. Consultant certifies that it is aware of the provisions of the California Labor Code which require every employee to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that Code, and Consultant certifies that it will comply with such provisions before commencing performance of the Agreement and at all times in the performance of the Agreement.

C. Prevailing Wage. Consultant and Consultant's subconsultants (if any) shall, to the extent required by the California Labor Code, pay not less than the latest prevailing wage rates to workers and professionals as determined by the Director of Industrial Relations of the State of California pursuant to California Labor Code, Part 7, Chapter 1, Article 2. Copies of the applicable wage determination are on file at the City's Public Works Department office.

D. Injury and Illness Prevention Program. Consultant certifies that it is aware of and has complied with the provisions of California Labor Code § 6401.7, which requires every employer to adopt a written injury and illness prevention program.

E. City Not Responsible. City is not responsible or liable for Consultant's failure to comply with any and all of its requirements under this section and Agreement.

F. Waiver of Subrogation. Consultant and Consultant's insurance company agree to waive all rights of subrogation against City, its elected or appointed officials, officers, agents, employees, and volunteers for losses paid under Consultant's workers' compensation insurance policy which arise from the work performed by Consultant for the City.

16. Confidential Information. All data, documents, discussions or other information developed or received by or for Consultant in performance of this Agreement are confidential and not to be disclosed to any person except as authorized by the City, or as required by law.

17. Assignment; Subcontractors; Employees.

A. Assignment. Consultant shall not assign, delegate, transfer, or convey its duties, responsibilities, or interests in this Agreement or any right, title, obligation, or interest in or to the same or any part thereof without the City's prior written consent. Any assignment without such approval shall be void and, at the City's option, shall immediately cause this Agreement to terminate.

B. Subcontractors; Employees. Consultant shall be responsible for employing or engaging all persons necessary to perform the services of Consultant hereunder. No subcontractor of Consultant shall be recognized by the City as such; rather, all subcontractors are deemed to be employees of the Consultant, and Consultant agrees to be responsible for their performance. Consultant shall give its personal attention to the fulfillment of the provisions of this Agreement by all of its employees and subcontractors, if any, and shall keep the work under its control. If any employee or subcontractor of Consultant fails or refuses to carry out the provisions of this Agreement or appears to be incompetent or to act in a disorderly or improper manner, it shall be discharged immediately from the work under this Agreement on demand of the Project Manager.

18. Insurance.

A. Minimum Scope of Insurance.

(1) Consultant agrees to have and maintain, for the duration of this Agreement, a General Liability insurance policy insuring it and its firm to an amount not less than \$2,000,000 (Two Million Dollars) combined single limit per occurrence and in the aggregate for bodily injury, personal injury, and property damage.

(2) Consultant agrees to have and maintain, for the duration of this Agreement, an Automobile Liability insurance policy insuring it and its staff to an amount not less than \$1,000,000 (One Million Dollars) combined single limit per accident for bodily injury and property damage.

(3) Consultant shall maintain professional errors and omissions liability insurance for protection against claims alleging negligent acts, errors, or omissions which may arise from Consultant's operations under this Agreement, whether such operations be by Consultant or by its employees, subcontractors, or subconsultants. The amount of this insurance shall not be less than \$1,000,000 (One Million Dollars) on a claims-made annual aggregate basis.

(4) A Workers' Compensation and Employers' Liability policy written in accordance with the laws of the State of California and providing coverage for any and all employees of Consultant:

(a) This policy shall provide coverage for Workers' Compensation (Coverage A).

(b) This policy shall also provide required coverage for Employers' Liability (Coverage B).

(5) All of the following endorsements are required to be made a part of each of the required policies, except for the Professional Liability and Workers' Compensation and Employers' Liability policies, as stipulated below:

(a) "The City of Calistoga, its officials, officers, agents, employees, and volunteers are hereby added as additional insureds, but only as respects work done by, for, or on behalf of the named insured."

(b) "This policy shall be considered primary insurance as respects any other valid and collectible insurance the City may possess, including any self-insured retention the City may have, and any other insurance the City does possess shall be considered excess insurance only and shall not contribute with it."

(c) "This insurance shall act for each insured and additional insured as though a separate policy had been written for each. This, however, will not act to increase the limit of liability of the insuring company."

(6) Consultant shall provide to City all certificates of insurance with original endorsements effecting coverage required by this paragraph. Certificates of such insurance shall be filed with City on or before commencement of performance of this Agreement. City reserves the right to require complete, certified copies of all required insurance policies at any time.

(7) Any failure to comply with reporting provisions of the policies shall not affect coverage provided to City, its officials, officers, agents, employees, and volunteers.

(8) Consultant's insurance shall apply separately to each insured against whom a claim is made or suit is brought, except with respect to the limits of the insurer's liability.

B. All Coverages. Each insurance policy required shall provide that coverage shall not be canceled, except after 30-days' prior written notice by certified mail, return receipt requested, has been given to City. Current certification of such insurance shall be kept on file with the City Manager at all times during the term of this Agreement.

C. Acceptability of Insurers. Insurance is to be placed with insurers with a Best's rating of no less than A:VII.

D. Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by the City. At the City's option, Consultant shall demonstrate financial capability for payment of such deductibles or self-insured retentions.

E. Verification of Coverage. Consultant shall furnish the City with original Certificate(s) of Insurance verifying Consultant's receipt of the insurance coverage required herein.

19. Termination of Agreement; Default.

A. This Agreement and all obligations hereunder may be terminated at any time, with or without cause, by the City upon 5-days' written notice to Consultant.

B. If Consultant fails to perform any of its obligations under this Agreement within the time and in the manner herein provided or otherwise violate any of the terms of this Agreement, in addition to all other remedies provided by law, City may terminate this Agreement immediately upon written notice. In such event, Consultant shall be entitled to receive as full payment for all services satisfactorily rendered and expenses incurred hereunder, an amount which bears the same ratio to the total fees specified in the Agreement as the services satisfactorily rendered hereunder by Consultant bear to the total services otherwise required to be performed for such total fee; provided, however, that the City shall deduct from such amount the amount of damages, if any, sustained by City by virtue of the breach of the Agreement by consultant.

C. In the event this Agreement is terminated by City without cause, Consultant shall be entitled to any compensation owing to it hereunder up to the time of such termination, it being understood that any payments are full compensation for services rendered prior to the time of payment.

D. Upon termination of this Agreement with or without cause, Consultant shall turn over to the City Manager immediately any and all copies of studies, sketches, drawings, computations, and other data, whether or not completed, prepared by Consultant or its subcontractors, if any, or given to Consultant or its subcontractors, if any, in connection with this Agreement. Such materials shall become the permanent property of the City. Consultant, however, shall not be liable for the City's use of incomplete materials nor for the City's use of complete documents if used for other than the project contemplated by this Agreement.

20. Suspension. The City shall have the authority to suspend this Agreement and the services contemplated herein, wholly or in part, for such period as it deems necessary due to unfavorable conditions or to the failure on the part of the Consultant to perform any provision of this Agreement. Consultant will be paid for satisfactory Services performed through the date of temporary suspension.

21. Merger; Amendment. This Agreement constitutes the complete and exclusive statement of the agreement between the City and Consultant and shall supersede all prior negotiations, representations, or agreements, either written or oral. This document may be amended only by written instrument, signed by both the City and Consultant. All provisions of this Agreement are expressly made conditions.

22. Interpretation. This Agreement shall be interpreted as though it was a product of a joint drafting effort and no provisions shall be interpreted against a party on the ground that said party was solely or primarily responsible for drafting the language to be interpreted.

23. Litigation Costs. If either party becomes involved in litigation arising out of this Agreement or the performance thereof, the court in such litigation shall award reasonable costs and expenses, including attorneys' fees, to the prevailing party. In awarding attorneys' fees, the court will not be bound by any court fee schedule, but shall, if it is in the interest of justice to do so, award the full amount of costs, expenses, and attorneys' fees paid or incurred in good faith.

24. Time of the Essence. Time is of the essence of this Agreement.
