Hey everyone!

I just read about the proposed glass studio, and I think it would be fabulous. I'd love to see more interesting retail & art on our main drag, and Michiko's work looks gorgeous. Having a working studio there would be super cool too... I hope they have a glass wall or something so we can see her blowing glass! Wouldn't it be cool if you could see into the studio from outside the Washington side of the building?

Anyway, just my two cents. One less empty storefront; our little town is on the way BACK.

Best,
Jen
