WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of our City/County are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, Calistoga must adopt a list of projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1 by resolution, which must include a description, location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, Calistoga has previously conducted a public hearing to ensure public input for the proposed project list; and

WHEREAS, Calistoga used the 2018 Pavement Condition Index (PCI) Report to develop the SB 1 project list to ensure revenues are being used to improve the City's PCI; and
