Planning Commission
City of Calistoga

In response to Public Hearing Item 1: 1440 Lincoln Ave-UP 2022-8 on the July 13, 2022 Planning Commission Agenda Calistoga Spa Inc., as owner of the adjoining Magnolia Building, endorses the wine tasting use permit application at 1440 Lincoln Ave. as proposed by Picayune Cellars.

We feel that the Staff Report adequately addresses the issues surrounding the property and the proposed use.

This successful business will be a welcome and much needed addition to that portion of Lincoln Ave.

Thank you for your consideration,
