

Calistoga Police Department
Memorandum

Date: April 16, 2009

To: Ken MacNab

Fm: Jonathan Mills

Re: 1307-B Lincoln Ave.

After examination of the attached documents and a visit to the location itself, I recommend that the property or business owner install an adequate alarm system capable of monitoring the building against an unlawful intrusion. (Burglar Alarm)

In addition I recommend that the fence bordering the Napa River side of the property be increased in height and strength to safeguard against a person climbing on or leaning over and thereby falling into the riverbed of the Napa River.
