This letter is in support to Fast & Easy Mart, 1108 Lincoln Ave. Calistoga. The business owner and people who work there are very nice people and work with the community and had provided excellent service to the customers. This is a neighborhood store opens 24 hours and that accommodates any need during night time. As we all are aware that there is no other convinces store opens 24 hours, it's best to have this business keep open.

We undersign are in support to have this business open 24 hours.
