Napa's Transportation Future Public Meetings

- **What can be done about road conditions, safety, congestion, pollution?**
- **What could be done to improve our bus systems, bike-ways, and the "walkability" of our communities?**
- **Want to learn more about opportunities to develop solutions to key transportation challenges in Napa County?**

Help Define Napa's Transportation Future Public Meetings

Wednesday, March 12 - American Canyon
Canyon Oaks Elementary School
745 Silver Oak Trail

Wednesday, March 19 - Napa
Napa Valley Unified School District Board Room
2425 Jefferson Street

Wednesday, April 2 - Calistoga
Calistoga Community Center
1307 Washington St., Calistoga

Doors Open at 5:30 pm for review of project materials
Meetings will begin at 6:00 P.M.

These public meetings are part of the Napa County Transportation and Planning Agency's (NCTPA) "Napa's Transportation Future" initiative, a project to update the County's Strategic Transportation Plan, with special funding help from Caltrans (the California Department of Transportation).

Public input will be included in recommendations to the NCTPA Board of Directors in July 2008.
