

A Tradition of Stewardship  
A Commitment to Service

EUROPEAN GRAPEVINE MOTH

# EUROPEAN GRAPEVINE MOTH UPDATE

City of Calistoga  
August 17, 2010

Dave Whitmer  
Agricultural Commissioner /Sealer

A Tradition of Stewardship  
A Commitment to Service

Dave Whitmer, Agricultural Commissioner/Sealer

## Key Points

- EGVM is potentially devastating to the winegrape industry that fuels our economy and way of life
  - Become familiar with EGVM biology and damage it causes
  - Steps that everyone can take to help keep EGVM out of Napa County
    - Monitor for the pest and use appropriate treatment materials at the appropriate time
    - Follow all applicable requirements of the EGVM quarantine and compliance agreement/exhibits
    - Share information regarding *Lobesia* with your friends and neighbors.
